

NEWSLETTER

The first month of existence of the new Pebble Rock Golf Club has passed in an eye-blink. However, so many things have been done and are being planned that it feels as if we were in operation for many years already. We hereinafter report on some issues and provide information about future endeavours.

Name the Bar—Competition

We kick off our first Newsletter with a Competition which is open for participation by members of the Pebble Rock Golf Club as well as the residents of Pebble Rock Golf & Bushveld Estate. Pernod Ricard, a major international supplier of alcoholic beverages, has come on board and the bar has been branded and revamped by them. Extensive training of our bar staff will commence in the near future, af-

ter which exotic cocktails and exclusive whiskeys will be available at the Club. Pernod Ricard has made a hamper available, containing some of their most popular brands, which will be up for grabs by the resident or member who suggests the most original name for our Pebble Rock Pub. The competition will close on 31 May 2016, after which the winner, and the new name of the bar, will be decided by the Ex-

ecutive Committee of the Club. Should more than one participant propose the winning name, the one first submitted will be appointed the winner. Only residents and members aged 18 years or older are eligible to partake in the competition. Please submit your proposal by return mail to bookings@pebblerock.co.za

Annual General Meeting

The first Annual General Meeting of the Pebble Rock Golf Club was held on 21 April 2016. At this occasion the Constitution of the Club was approved, after which it was lodged at the Gauteng North Golf Union. The following members have been elected on the Golf Committee:

Jason Fourie - Club Captain
Alet Jansen van Rensburg - Ladies Club Captain
Kobus Jansen van Rensburg
Johann Jansen van Vuuren
Braam le Roux
Ewin Thomas
Estelle van Niekerk
Norman van Niekerk

Congratulations to each and every one of you, and we thank you for your willingness to contribute your time and effort to ensure that Pebble Rock Golf Club is managed efficiently.

Freedom Golf Day & Celebration Party

The Freedom Golf Day & Celebration Party, hosted by the Pebble Rock Golf Club on 27 April 2016, was a huge success with a full field of golfers participating in the day. On completion of their rounds, the golfers were joined by family, friends, neighbours, and residents of the neighbouring estates and greater community. For the young ones, various activities were available, and they rotated between the Rocket Launcher, Waterslide and Mechanical Bull with seemingly inexhaustible energy. With six lambs perfectly

prepared on the spitbraai, there was more than enough food for everyone in attendance, although the bar did run out of certain brands within a short period of time! Live music was provided by a professional artist, and as residents would have heard later in the evening, also by some amateur Home Owners living their dreams of performing live in front of an audience, much to the amusement of those in attendance!

Very much needed funds for the Golf Course were raised on the day, with the total profit amounting to R 120 000.00. This would not have been possible without the support of our members, home owners and friends from the community. More specifically, it would not have been possible without the tremendous support from our sponsors, all of whom contributed to an extent neither expected nor previously experienced. We would like to extend a special thanks to the following individuals and businesses:

We urge our members and home owners to support these businesses, all of whom are either operating within our community, or are owned by fellow residents.

Considering the joyful day experienced by all in attendance

Staff

As many of you will be aware, Gavin Smit left us at the end of April, and his shoes will now be filled by Vic Grobler. We welcome Vic to our Club and our Estate, and we trust that he will contribute to the Club's success whilst enjoying his employment with us. For any Club related matters, Vic can be reached on (012) 808 5000 or 083 338 0981.

Moynenne Kooiman has accepted a permanent position at the Club, and she will be responsible for all Pro Shop related matters, as well as assist-

and the contribution of it towards the success of the Pebble Rock Golf Club, the Freedom Golf Day will without doubt become a yearly event. We extend a great thanks to all whom played a role in the success

ing Vic on a day to day basis. Both of them will be assisted by the newest addition to our staff complement, namely 22 year old Christopher de Beer. Christopher has completed his studies at the Golf School of Excellence, and plays off a +3 handicap! He was employed as the Senior Coach of the Special Olympics Golf Team, the youngest person ever to be appointed in that position. Christopher also has experience in Kids Coaching, and officiated at various junior and senior tournaments. Watch this space

The Course

It is evident that the course is in much better shape than it was prior to 1 April 2016. Unfortunately we are at the beginning of the cold season which will not allow major reconditioning

of certain aspects of the course. We will however be boosting some fairways before winter in order to ensure that they revive easier in Spring. In the short term

thereof, and for those who could not attend, a reminder to reserve Freedom Day 2017 for the FREEDOM GOLF DAY & CELEBRATION PARTY. It promises to be BIGGER & BETTER !

for future additions to the services offered at our Club ! Johan van Biljon(Billy) will continue as Greenkeeper of the Course, assisted by various experts on a consultancy basis. The greens will be maintained by Billy in the pristine condition they have been over the past years, and various initiatives will soon be undertaken by Billy in ensuring that our fairways will attain the same condition.

much effort will be directed at improving the playability of the Course and eradicating unfair lost ball situations. Verticutting of the greens will commence within the next week.

Members

We thank all our members who have remained loyal to Pebble Rock Golf Club despite the uncertainty about the club's future in previous months, and who have renewed their membership. We also thank all new

members who have put their trust, and their money, in Pebble Rock with the belief that the Club will only improve in future. Unfortunately, not as many members as was anticipated, have re-

newed their memberships. We are initiating various programs and incentives in order to increase membership numbers, and all members and residents are requested to promote the Club to fellow Golfers.

Visitors

Pebble Rock Golf Club has traditionally been very well supported by visitors, and visitor's playing fees were a major contributor to the Club's income over past years. Unfortunately it seems the negative publicity in the period between Decem-

ber 2015 and April 2016 had a greater effect than expected. There still seems to be a perception amongst the golfing public that our Club has closed down, and we are doing our utmost to counter this perception, with various marketing

activities in process and being planned. Agreements with Playmoregolf and Last Minute Golf have been entered into in an attempt to attract more visitors to our course.

Sponsors

As mentioned hereinbefore, we are enormously grateful towards our sponsors whom have supported the Club during our opening month. We also have various marketing and advertising opportunities available, the latest of which is the Tee-Box marketing. As you will note from the photograph hereunder, we are in the process of erecting new Tee- Box markers on the Course. We extend a special thanks to Toto Mtimba of Dee Five Trading Balustrades, who sponsored the Stainless Steel frames, as well as Tjaka Snyman of Sign-a-Rama Silverton, for the inserts and artwork. Although these advertising spaces were taken up very quickly, various Tee-boxes are still available. Kindly contact Moynenne at 012 808 2242 or bookings@pebblersrock.co.za for further enquiries.

For any balustrading or waterproofing services Toto can be contacted at 083 334 255, and Tjaka will assist with all signage and related requirements. He can be contacted on 084 566 5529.

COMPETITIONS

Various competitions and events are being planned by the Golf Committee, which will include the following:

- * **Club Championships**
- * **Business League**
- * **Knock Out Competition**
- * **Cansa Golf Day**
- * **Spring Day, etc.**

Information regarding all competitions and events will be communicated in due course. Meanwhile, we hope to see all of you on the course and at the Clubhouse and don't forget about our Friday afternoon meat competitions!

We thank all members and residents for the support given to the Club, and we believe that we will, together, improve the condition of the course and the facilities provided at the Club to such an extent that Pebble Rock will soon be a preferred golfing and social venue.
